

20260407 Stone Representatives and Spy Flies

I am sitting here again this afternoon, with the spirit of Donald Trump's spies constantly sending flies of vehicles past my home as I do religious research on my home computer.

I experience this every day - day and night - and this is a non stop phenomenon in my home as the spies of the United States government have been turned into locusts or flies of insects that buzz around my home as nuisances when I read the word of God.

So, as a law-abiding United States citizen, and a God-fearing citizen of the State of Texas, I am writing another letter to the 'representatives' that sit in the 'high places' of our G-overnment.

The 'G' in our government is the same 'G' that sits atop the Freemason emblem as their god. And, like the false idols that the Freemasons make their offerings to for advantage in their governmental and business affairs, you, too, have become a false idol that sits atop our world offering nothing but false hope to us that do not bow to your beloved satanic core of money.

Perhaps if I made a few million dollars of donations to your stone representation you would care more about the emails that I write to you.

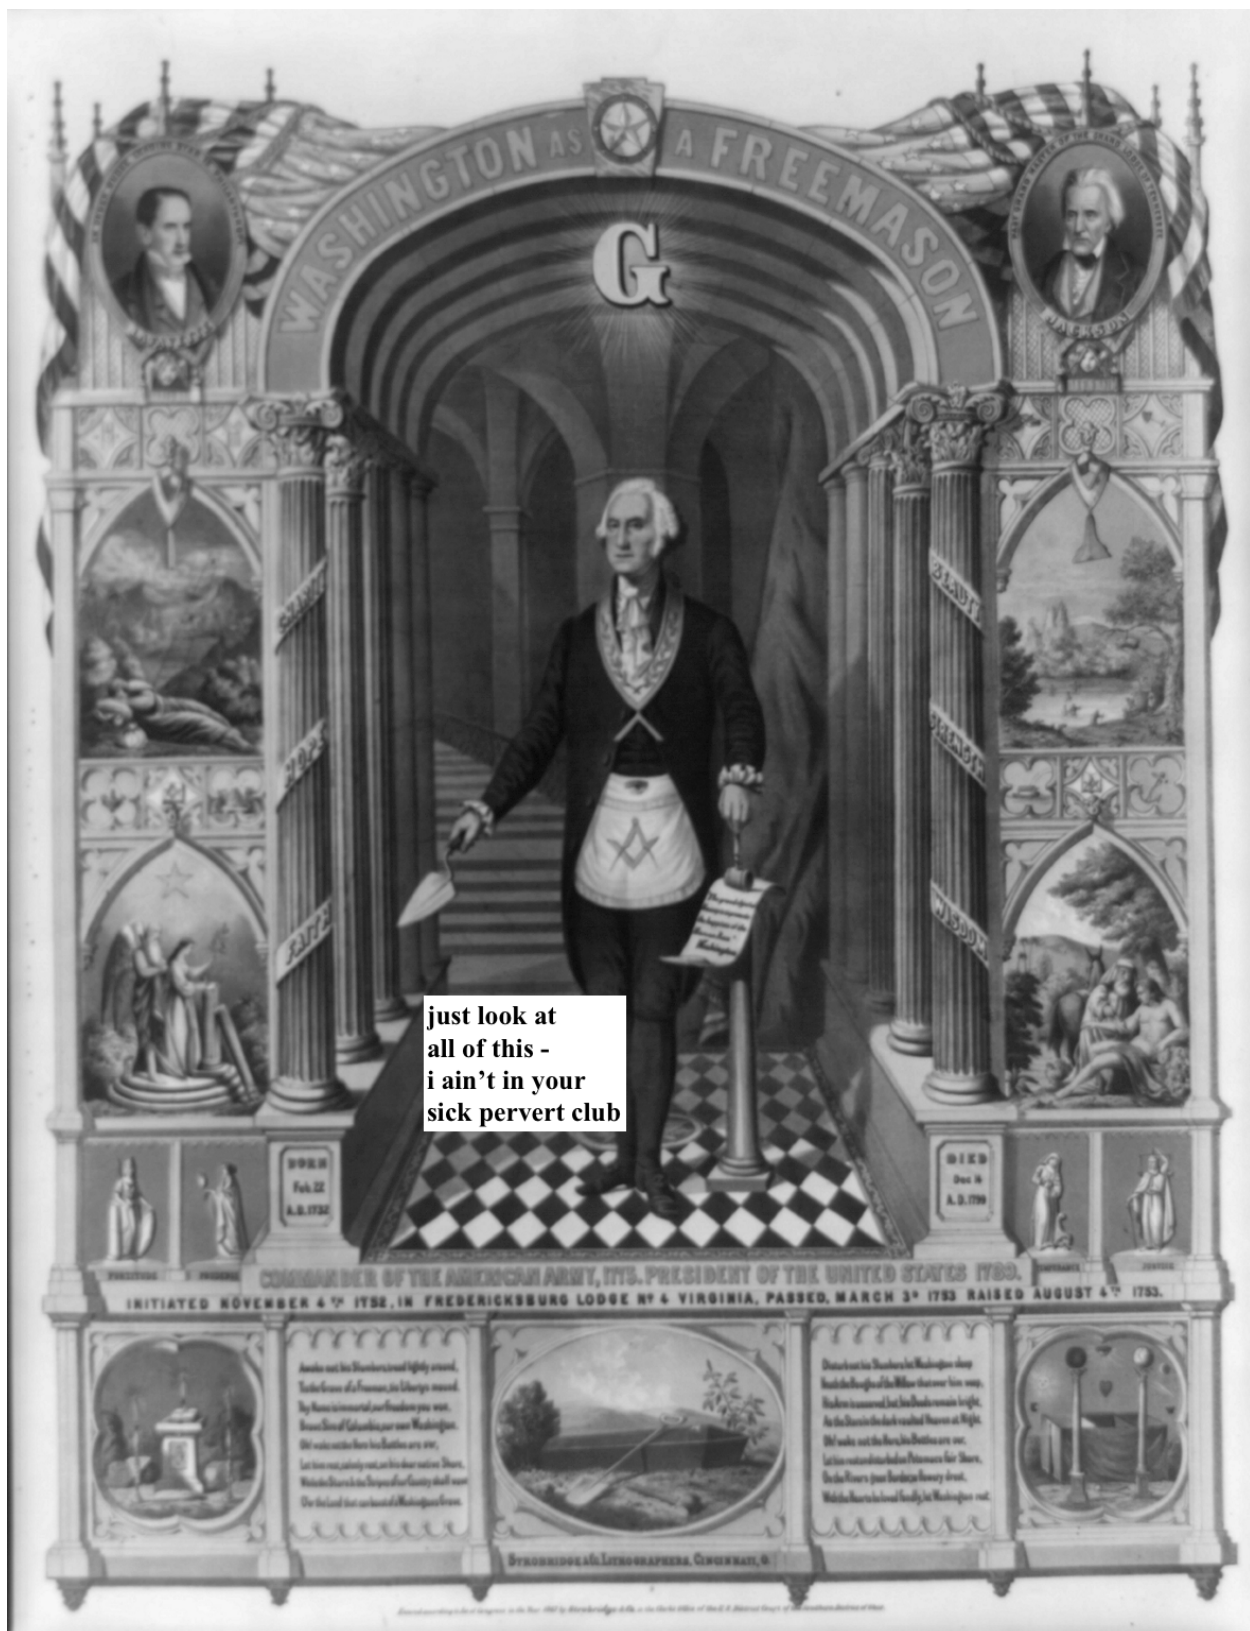

But instead, I have the truth of the word of God, and an endless swarm of Freemason bees, and locust-flies, buzzing past my home to represent and mark all of the time that I spend attempting to better myself inside of the world of fallen, false-idol worshipping, big-G, big-brother government of spies, flies, and stone idols.

Thanks for your lack of representation. I understand fully that your teams of Republi-CONS and Demon-RATS will eat our offerings of time and money, like the false idols of Bel, but you will never provide the true and correct representation of a faithful servant of the Lord.

You are the people that sold America into slavery. You are the golden calves that we are supposed to be worshipping in the modern slavery of 2026. You failed us; You failed America; and You failed the entire world with your weakness and greed.

Sincerely, as our world's Second Savior,

Chris Noel Carlin
